Giving Fund Process Questions:

1. When does the Giving Fund Committee meet?

The committee meets once per month, typically the first Wednesday of the month.

2. When is documentation due?

All documentation must be submitted within 4-months of the date of the emergency, to be eligible for assistance. Documentation is due prior to the Monday before the meeting to allow adequate time for the committee to review the request before the meeting.

3. What if my documentation comes in on the Monday or Tuesday directly before the meeting?

It will need to wait until the next monthly meeting. See #10 for emergency situations.

4. Is documentation required?

Yes. You must provide tangible documentation that supports the emergency or catastrophic event to be eligible for assistance. (ie. paystubs, doctor notes, statements from your insurance company, copy of eviction notice, police report, etc.)

5. Why do you need supporting documentation?

The Giving Fund guidelines have been approved by the IRS and they require that every check issued, has proper documentation that supports the emergency or catastrophic event; without documentation, the Foundation risks losing its nonprofit status.

10. Can you ever make an emergency approval without having to wait for the next meeting?

Yes, but only if there is an eviction or utility shut-off scheduled before the date of the next meeting or if there has been a death and the funeral home will not proceed with the service until paid.
